

COMPUTER COURSES

Computer Courses

DCA (Diploma in Computer Application) 2 Year

BCA (Bachelor Program in Computer Application) 3 Year

MCA (Master Program in Computer Application) 2 Year

PGDCA (Post Graduate Diploma in Computer Applications) 3 Year

DCA (Diploma in Computer Application)

(Duration
1 Year to
2 Year)

Year-1

1. Introduction to Computers
2. Digital Computer Fundamentals
3. Electronics Commerce
4. Internet Programming and Web Designing

Year-2

1. Data base management System
2. Window 98, MS office
3. Visual Programming
4. Office Automation Tools

Eligibility: 10th with 2 Year Experience
Course Fee: 8,000/- (Per Year)

BCA (Bachelor Program in Computer Application)

(Duration
1 Year to
3 Year)

Year-1

1. English-I
2. Foundation Course on Humanities & Social Science
3. Computer Fundamental & C Programming
4. Computer Oriented Numerical & Static Methods
5. Computer Networks

Year-2

1. English-II
2. Foundation Course for Science & Technology
3. Internet & Java Programming
4. Financial Management Programming
5. C++

Year-3

1. Computer Graphics
2. Database Management System
3. Data Communication & Networking
4. Visual Programming
5. Multimedia & Virtual Reality

Eligibility: 10 + 2 / with 2 Year Experience
Course Fee: 10,000/- (Per Year)

MCA (Master Program in Computer Application)

(Duration
1 Year to
2 Year)

Year-1

1. Numerical & Statistical Methods
2. Object Oriented Programming
3. Computer Architecture & System Software
4. Computer Fundamentals & C programming
5. Data Base Management System

Year-2

1. Data Structures & Algorithms Using C, C++
2. Mathematical Foundation of Computer Science
3. Computer Communication & Networks
4. Computer Architecture & System software
5. Advertising Software Engineering

Year-3

1. Computer Graphics, Multi-media and Virtual Reality
2. Soft Computing
3. Mobile Computing
4. Advanced Software Engineering & Quality Management
5. Net Programming

Project Work

Eligibility: BCA or Equivalent with 2 Year Experience
Course Fee: 15,000/- (Per Year)

PGDCA (Post Graduate Diploma in Computer Applications)

(Duration
1 Year to
3 Year)

Sem-I

1. Computer Fundamental & C Programming
2. Foundation Course for Science & Technology
3. Computer Oriented Numerical & Static Methods
4. Computer Networks
5. Internet & Java Programming

Sem-II

1. Financial Management
 2. Programming
 3. C, C++
 4. Computer Graphics
 5. Database Management System
Computer Communication and Networks
- Project Work**

Eligibility: Graduation with 2 Year Experience
Course Fee: 10,000/- (Per Year)

How to apply: -

A candidate can apply online by following the below mentioned process:

1. If required, the Centre will assist you in filling up and submitting your online form. You can fill your query on our website or you can call on our website number to take assistance from our counselors over call or through mails. Fill up the online lead form with the course of your choice and our counselors will get in touch with you.
2. Carry the relevant documents required and visit your nearest Authorised Centre.
3. Print out of your form, sign and affix your photograph and submit it along with the required eligibility documents to the University. Fee payment has to be made in any one of the modes mentioned in the Prospectus.
4. If the application is complete and the University receives the relevant eligibility documents, the applicant will be granted admission and a confirmation email sent out. The self-learning material and identity card will be dispatched through the Authorised Centre. Students can view the status of your application on this website by entering your application number
5. After finalizing the course and University, you have to mail the documents required and pay the fees through Pay U, NEFT, bank deposit and Cheque for further proceedings.
